DATED 1-3-1923

[Despatch Abstract.]

Coondapur Taluk Board

From the Director of Public Instruction, ...

...No 6,1,37-23, dated the 26th June.1923.

In submitting herewith the Budget estimate for 1923-23 of the Primary Education fund under the control of the Local Board, Taluk Board, Coondapur in the South Kanara District, I have the honour to state that all the Local Boards in the District have been permitted to levy the same rate of tax during 1921-22 and they have it has adhered for the grounds of the case both in their revised estimate for 1921-22 and the Budget estimate for 1922-23. Each of the Local Boards of Primary Education of the District has framed its revised estimate for 1921-22 and the Budget estimate for 1922-23 for amounts larger than the receipts of the Government contributions. The Board is unable to say whether it is likely to realize for 1922-23 by levy of cess the receipts collected in 1922-23 [illegible] Board has taken credit in the budget estimate for 1922-23 under section 27 of the Primary Education Act of an amount for more equal to the proceeds of the cess collected during 1921-22 but the estimated receipts to be collected during 1922-23. This procedure is evidently open to objection as it may be found that the credit in the budget estimate for 1922-23 is not realized in the proceeds of the cess collected in 1922-23.

2/ Lastly it is observed that the Taluk Boards of Udipi, Coondapur, Karkal, Belthangadi, Puttur and Sullia have reduced in the Budget estimate for 1923-24 the rate of contribution out of general revenues to the Primary Education fund as revised by them for 1921-22 but the Taluk Boards of Mangalore, Kasaragod and Manjeshwar have not done so in their budget estimates for 1923-24 from their general revenues.

Firstly ~~no~~ local authority ~~except the Inspector of Schools~~ has not made provision for the payment of compensation allowance either in the revised estimate for 1921-22 or in the Budget estimate for 1922-23. But as the local ~~bodies have~~ body has adopted increased rates of salaries to the teachers under ~~their~~ its employment of compensation allowance may be considered unnecessary.

Madanapur Taluk Board.

The credit taken under the proviso to Section 37 of the Madras Elementary Education Act of 1920 should be raised in the Budget estimate for 1922-23, as shown below:-

The Board has reduced by Rs.300 the credit for fee income in the Budget estimate for 1922-23, since it has introduced free education in 16 schools. But the Board should have increased its own contribution by an amount equal to the fee income foregone according to G.O.No.1761 Law Education, dated 7th December 21.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to submit herewith a copy of the budget Estimate of the Elementary Education Fund of Taluk Board for the year 1922-23 revised as far as possible in the light of the remarks of the Director Public Instruction, Madras, embodied in Government Memorandum No. 2733, dated the 11th July 1922.

The amount of Education tax collected in the year 1921-22 was only Rs 2680 against the budget Estimate of Rs 5320. The short collection is due to the late receipt of orders for the collection by the Revenue authorities. Only half the amount due for the year was collected in the month of March 1922 together with the collection of the Revenue assessment. Hence in the revised Estimate for 1921-22 an amount equal to this amount has now been shown as contribution under Section 37 of the Elementary Education Act. In the current year 1922-23 the full amount of Education tax is expected to be collected together with the 3 kists of the revenue collection. Therefore the amount of Rs 5320 shown in the Estimate has been retained and an Equal amount has been taken credit as contribution under Section 37 of the Elementary Education Act.

3. Contributions from the general revenues of the Taluk Board have now been shown in both the revised budget for 1921-22 and budget for 1922-23.

4. In the budget Estimate for 1922-23 contribution under the proviso to Section 37 of the Elementary Education Act has been

raised as advised by the Director.

The amount of unspent balance remained on 1st April 1921 out of the recurring provincial subsidies sanctioned in 1920-21 was reported to the Director of Public Instruction in accordance with the Government Memorandum No. 122 A-1 dated the 24th February 1922

6. There is hardly any balance on 1st April 1922. The Exact figure will be reported separately on receipt of the reply from the District Treasury officer to whom a reference has been made in respect of provincial subsidies received in the year 1921-22.

7. As regards the view of the Government that the proceeds of the Education tax are intended for the Expansion of Education and the opening of new schools, I have to state that this Taluk Board is not in a position to maintain the largely attended 22 Board's own schools

out of 40 schools under its management from its general revenue. The general revenue of this Board is mostly spent on "Medical relief" there being one hospital and two dispensaries under it. Therefore the proceeds of the Education tax cannot be total made available for the Expansion of Education and the opening of new schools.

8. Every Endeavour will however be made to utilize the amount, as far as practicable, for raising the existing schools to higher standards and the opening of new schools.

No. 4041A1, dated 25-9-1922.

The budget estimate of the elementary education fund under the control of the Coondapur Taluk Board as revised and submitted with the President's letter Dis No. 2728, dt 30-8-22, ~~is approved~~ calls for ~~subject to~~ the following remarks:—

(i) No credit should be taken in the revised estimate for 1921-22 for Govt contribution under section 37 of the Ele. Edn. Act, 1923, and in the budget estimate for 1922-23 credit should be taken for such contribution only for Rs. 26801- ~~only~~, which

is equal to the proceeds of the education tax realised in 1921-22.

The credit now allowed for Govt. contribution under the provis to section 37 of the Act will be subject to subsequent adjustment with refe to the savings, if any, with the taluk board from the fi

(ii) The receipts and charges for the year 1921-22 and 1922-23 will then be as follows:—

	1921-22 Rs.	1922-23 Rs.
Receipts	18,590.	25,180.
Charges	21,270.	24,820

The budget will thus open with a minus balance of Rs. 2,680/- and close with a deficit of Rs. 5,320/- This deficit should be met from the taluk board's own funds by increasing its contribution for both the years 1921-22 and 1922-23

3. The President is requested to forward to govt a revised budget giving effect to the above suggestions

18-9-22

To the P.W.D. sec. for acceptance

2. It is noticed that the Contribution for veterinary is fixed at 2902 against 4702 in 1921-22 This latter amount should be restored In addition an amount of Rs 300/- equal to the loss of fee income should also be allowed for the taluk board.

MK 11/12/23

As the Honble the Minister for Local Self Government is opposed to the provision for capital expenditure from ordinary funds, we may agree to the omission of Rs 400 under capital expenditure. The balance of Rs is for furniture & books and can properly be taken as capital expenditure to be met from loans. The sum of Rs 4000 under capital expenditure may be added to the contribution from Revenue of the local body. So this can obviously be no objection the contributions in the previous years were Rs 7382 & 7746. Even with addition of Rs 4000, the contribution being Rs 5042 (1042+4000). This seems to be a case of other cases abounding out elementary education. Please see para 7 of the

Please see Mg's note dated 16.2.23 in the top file, where it has been agreed to allow capital expenditure being met from ordinary revenues where the financial position of the local body is sound. In the present case, as the financial position of the Coondapur Taluk Board is not satisfactory, the omission of the provision for Rs 10000/- under Capital expenditure from Revenue may be agreed to; but, as pointed out on the previous page, the contribution from the general funds of the local body to elementary education should not be fixed at a lower figure than Rs. 5,042/- especially as the board itself has agreed to contribute a sum of Rs. 5,542/- for 1922-23.
